PROJECT LOCATION	NE 116th Street north to NE 120th Street	PROJECT START	PROJECT STATUS
		Undetermined	Existing Project

DESCRIPTION/JUSTIFICATION

Install 1,450 feet of new roadway along an alignment north of the NE 116th Street/I-405 off-ramp. The new roadway will begin approximately 200 feet east of the intersection of NE 116th Street/I-405 off-ramp, extend north approximately 1,000 feet to the Cross Kirkland Corridor right of way, turn northeast and terminate at the future NE 120th Street (assumed to be constructed prior to this project). The project will include signal modifications at the intersection of NE 116th Street/I-405 off-ramp, sidewalks and planter strip along the entire alignment; it is anticipated that there will be no parking along the 24-28 foot roadway. Significant right of way acquisition will be required (or redevelopment activity to preserve the corridor).
